ABOUT US

Founded in June 2010, LUXX BESPOKE (former 2HCONSULT) began with nothing more than a single embroidery machine and a vision to design and manufacture premium Golf and sports merchandise for club and corporate clients.

Included are some of the world's most successful and recognised businesses in Golf, the wider sports markets, real estate and leisure. We understand Golf and the commercial realities of the business and offer the necessary technical and business expertise to a global range of over 600 customers.

We provide a consultation service to determine what is required, followed by detailed product visuals and ultimately delivering the product to exactly fulfill your design specifications. The same service applies to every customer, from club sports-branded accessories to global companies seeking corporate merchandise. LUXX BESPOKE will always deliver a quality product designed to promote the brands of our clients.

Our sister company LUXX BESPOKE Ltd, based in Nanchang specialises in the design, sourcing, manufacture and importation of our stock. LUXX BESPOKE Ltd provides us with the invaluable access to the Far East, ensuring that we work with the best factories and suppliers, as well as having year-round quality controllers on the ground in mainland China and an import team, dedicated to the seamless delivery of your stock.

THE BELFRY

WE BUILD BESPOKE PRODUCTS JUST FOR YOU

In order to truly offer bespoke product services you must have the creativity to visualise the customers requirements plus the product understanding to ensure functionality and purpose.

You must have the knowledge of factory capabilities and compliance's. The fortitude to produce products never made before.

The skills to negotiate best terms with people from around the world, navigating different languages and cultures.

And finally the right team and network that can deliver on time, every time.
